

Friends of King Charles

Who are the Friends of King Charles?

The Friends of King Charles seek to enable members to keep in touch with what happens at King Charles and enjoy several social events, to promote appreciation for the architectural and historical aspects of the church, and to raise funds for maintaining the fabric and enhancing the furniture and fittings of the building. The Friends also arrange the annual King Charles Lecture, engaging a speaker and providing a reception in the Hall. In the summer they organise a Garden Party at the vicarage.

How much time is involved?

The Friends always welcome new members and value help from existing members, particularly in the arranging of the events mentioned above. The committee meets about three times a year. At present a volunteer to be Secretary of the Friends is sought.

What is worthwhile or enjoyable about this activity?

The constructive work of the Friends and the positive results achieved, both for members of the church and the church building, is very worthwhile. The appeal and membership of the Friends also goes beyond the regular congregation
