

# Servers

## *What do Servers do?*

Servers carry the processional candles, cross and Gospel book at the roam Parish Communion service on Sundays. They are an important part of the enactment of the liturgy and hopefully enable the congregation to worship God more prayerfully. They help King Charles offer its relaxed yet formal style of worship that many members and visitors value.

## *How much time is involved?*

Servers usually serve about once a month, although there is always flexibility to fit in with people's situations.

## *What is worthwhile or enjoyable about this activity?*

Serving is an act of devotion to, and worship of, God. Also very good is the knowledge that one is helping others to worship God more readily.

## *Are there any particular skills or abilities that are helpful for volunteers to have?*

Anyone can be a server and there are certainly no qualifications required! If one wants to carry the processional cross perhaps a degree of strength is helpful. Servers usually begin as one of the two candle-bearers, with an experienced colleague to guide and help them. Full training is offered.

## *Who should I contact to find out more or to become involved?*
